Below you will find step-by-step instructions to guide you through the process of setting up your account, filing out a grant application, and managing your grant applications.

Introduction

To access the grant application, go to grants.nokidhungry.org. From here, you will be asked to log in or register for a new account. Please note, if you have applied for a grant from No Kid Hungry/Share Our Strength in the past, we have moved to a new online system and you may need to re-register if your old login does not work.

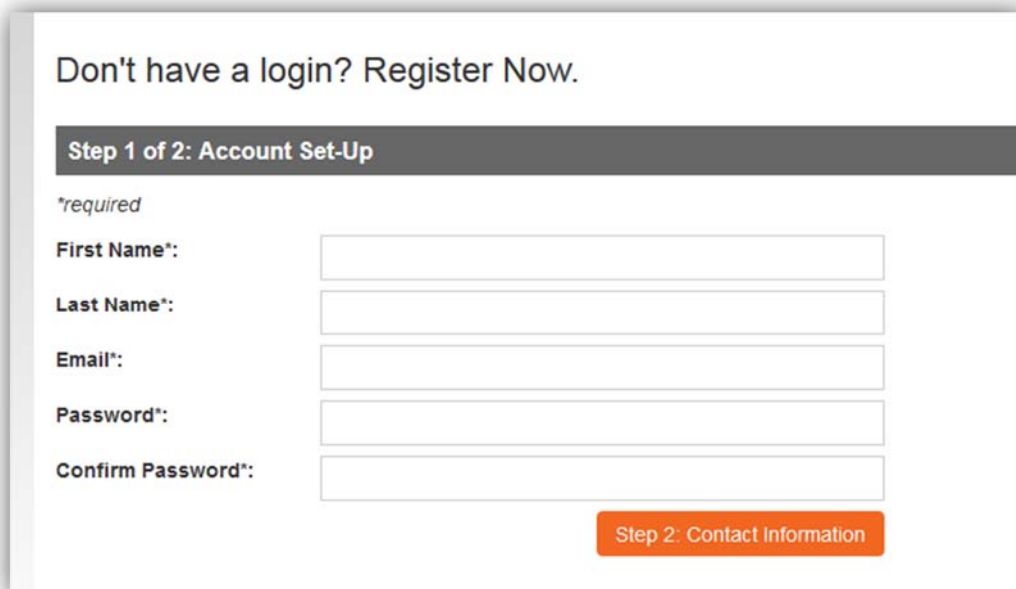

To log in to your account:

Provide your email address and password in the log in box on the upper-right side of the page. Click "Login."
